

TO OUR 4 LEGGED FRIENDS

Hi, our names are Cindy and Sandy, we are two **very** pampered adopted Greyhounds and we are inviting all you K9s and 4-legged people and your owners to have an enjoyable stay. River Road Caravan Park is a pretty cool place to stay, though you do need to observe a few simple rules.

- ✓ If you are house-trained you get to stay inside the cabins providing, of course, you promise not to jump on the furniture or sleep on the beds.
- ✓ If your family wants to visit a National Park, go for a trip on a Paddle Steamer or enjoy a meal at a restaurant, the friendly owners will talk to you if you chose to stay in the kennels. (Bookings essential- \$5.00)
- ✓ Of course you have to be on your lead at all times within the Park (so do we) and you must not leave your site without a human but it is still better than being stuck in one place all day.
- ✓ The owners ask that you do not shout at people going past. Please do not try to dig to China, its too far- we tried once!! And got into **big** trouble (Humans have so many rules don't they?).
- ✓ When you go to the toilet, your owners have got the great job of picking it up and disposing of it in a plastic bag and placing in a bin (aren't they lucky)
- ✓ You are not allowed in the amenities block, Bar B.Q. area, pool enclosure, games room or camp kitchen because a human called a Health Inspector doesn't like it.-- **Exceptions for Guide/Seeing eye dogs.**

Lastly, if your owners leave you at home when they go out to have a good time, please remind them it can get hot and make sure they leave you heaps of water. You are not allowed to make a fuss as humans can often find it very annoying.

We love to take our owners for a walk along the river - to check out the bush, follow a scent, watch the boats and keep an eye on those crafty pelicans. We even go for a swim in the Murray when it's hot.

We don't think any of these DO's and DON'Ts are too difficult. They are a small price to pay for you to have an enjoyable holiday with your family and being asked to come back.

Woofs
Cindy and Sandy
